Subtitle

Inserting source code

```
#include<stdio.h>
#include<iostream>
// A comment
int main(void)
{
printf("Hello World\n");
return 0;
}
```

List View

- ▶ Pay for open access
- ▶ Support young open access journals

OR

- ▶ Let subscribers pay & do more experiments
- ▶ Continue to go after Science, Nature, & Cell

Discussion questions

- ▶ How to encourage researchers to publish in open access journals? How to help with publication charges?
- ▶ Should we change how we evaluate scholars, for hiring and promotion?
- ▶ Should we give campus authors a chance to "opt-out" of any institutional mandate for open access?
